

2020 Product Guide

Grass Seed

Product	Details	Features	Coverage	Bag Size
Edward's Premium NE Quad Rye	Four Way Perennial Rye Grass Blend	Dark Green, Durable Quick Germination	10,000 Square Feet 5lb./1,000 Sq. Ft.	50 lbs or 25 lbs

50 lb: \$92.00 Wholesale \$139.99 Retail *available in 3, 5, 10 lb @ 3.00/lb
\$82.00 @ 500 lbs

25 lb: \$52.00 \$75.99 Retail

Edward's premium northeastern quad rye is a blend of four different elite perennial rye seeds designed to germinate quickly and provide good coverage. Rye is ideal for spring and late fall seeding as it is able to germinate in cooler temperatures than most fescues and blue grass blends.

Product	Details	Features	Coverage	Bag Size
Sport Turf Athletic Mix	70% Perennial Rye 30% Kentucky Blue	Finer Blade, Good Color, Durability	10,000 Square Feet 4-6lb./1000 SF	50 lbs

50 lb: \$115.00 Wholesale \$164.99 Retail *available in 3, 5, 10lb @ 3.50/lb
\$105.00 @ 500 lbs

Finer blade, good color and durability. Ideal for over-seeding golf courses and sport fields, as well as higher quality home lawns. Tolerates some shade.

Product	Details	Features	Coverage	Bag Size
Sun and Shade Custom Mix	33% Perennial Rye 33% Red Fescue 33% Kentucky Blue	Sun and Shade Custom Mix for a variety of conditions	7,000 Square Feet 6-8lb./1,000 SF	50 lbs or 25 lbs

50 lb : \$108.00 Wholesale \$164.99 Retail *available in 3, 5, 10lb @ 3.00/lb
\$98.00 @ 500 lbs

25 lb : \$62.50 \$126.99 Retail

Diverse seed mix suitable for many conditions including sun and shade. Great color and texture. Quick Establishment.

Product	Details	Features	Coverage	Bag Size
Three Way Tall Fescue Blend	Elite Tall Fescue Blend	Athletic Field Use	7,000 Square Feet 6-9lb./1,000 SF	50 lbs

50 lb : \$100.00 Wholesale \$137.99 Retail *available in 3, 5, 10lb @ 3.00/lb
\$90.00 @ 500 lbs

Drought, heat, wear and disease tolerant grass. Tolerates sun or shade and holds color well during lower water and high heat conditions. Best for fall seeding or in spring once soil temperatures are above 60 degrees. Good dark green color.

Product	Details	Features	Coverage	Bag Size
Contractor Blend	Perennial/Annual Rye Blend	Quick Cover for Soil Stabilization	7,000 Square Feet 7lb./1000	50 lbs

50 lb : \$73.00 Wholesale \$99.99 Retail
\$68.00 @ 500 lbs

This Blend is typically used in situations where quick stabilization of the soil and fast results are needed, with germination taking place within 5-7 days. This is a good seed to use to get a lawn started on new construction properties, or in areas that need to be reseeded due to construction.

Grass Seed

Product	Details	Features	Coverage	Bag Size
50/50 Custom Mix	50% Perennial Rye 50% Kentucky Blue Similar to Keystone Mix	Elite Blend, quick establishment and durability	11,000 Square Feet 4-5lb./1,000 SF	50 lbs

50 lb : \$126.00 Wholesale \$179.99 Retail
\$116.00 @ 500 lbs

With a blend of varieties of perennial rye and Kentucky Blue Grass, this mix offers the best of both worlds. It provides quick germination from the ryegrass and a strong durable turf with the ability to spread from the Kentucky Blue. Good color, fine texture and traffic tolerance. Good for sports fields or home lawns.

Product	Details	Features	Coverage	Bag Size
Shadow Grows (Shade Mix)	Blend of Perennial Rye, Fescue, and Kentucky Bluegrass	Shade Tolerant, quick establishment and good color	11,000 Square Feet 4-5lb./1,000 SF	50 lbs

50 lb : \$122.00 Wholesale \$152.99 Retail
\$110.50 @ 500 lbs

This Shady mix is an exclusive blend of many cool turf seeds that thrive in a lower heat environment. With the varieties in this mix you have an increased chance of germination that can handle some variation in the climate.

Sod

Soil Amendments

Product	Details	Coverage	Bag Size
Solu-Cal	High Quality Lime with Humic Acid	10,000 SF maintenance 4,000 SF curative	50 lbs

\$16.00 Wholesale

\$24.99 Retail

\$15.00 Pallet

Solu-Cal allows lawn applicators to use 75% less product than limestone. Solu-Cal/Cal Plus is formulated to contain a chelating agent and limestone within every pellet and results in raising PH values quicker than traditional limestone. Measurable results are achieved in weeks rather than months.

Product	Details	Coverage	Bag Size
Dolomitic Lime	Pelletized Limestone	3,000 SF maintenance 1,000 SF Curative	50 lbs

\$7.00 Wholesale

\$8.99 Retail

\$6.00 Pallet

Dolomitic Limestone helps to balance the PH of the soil, reducing soil compaction and allows a healthy growing environment.

Erosion Control

Product	Details	Coverage	Bag Size
Seed Aide Cover Grow	Seed Protectant with tackifier	Up to 1,000 Square Feet	50 lbs

\$25.00 Wholesale

\$30.99 Retail

\$23.00 Pallet

Seed Aide Cover Grow is expanding cellulose/wood fiber mulch in a granular form that enhances germination and seeding emergence by holding seed in place and absorbing water. It contains a tackifier that once moistened reduces soil erosion, water run-off and seed wash out. This product contains no weed or grass seed.
