

## 2021 Product Guide

### Grass Seed

Product	Details	Features	Coverage	Bag Size
Edward's Premium NE Quad Rye	Four Way Perennial Rye Grass Blend	Dark Green, Durable Quick Germination	10,000 Square Feet 5 lbs./1,000 SF	50 lbs

**50 lb: \$105.00 Wholesale      \$159.99 Retail      \*available in 3, 5, 10 lbs @ \$3.50/lb Wholesale, \$4.00/lb Retail**  
**500 lbs: \$97.50 per 50 lb bag**  
**25 lb: \$75.00 Wholesale      \$89.99 Retail**

Edward's premium northeastern quad rye is a blend of four different elite perennial rye seeds designed to germinate quickly and provide good coverage. Rye is ideal for spring and late fall seeding as it is able to germinate in cooler temperatures than most fescues and blue grass blends.

Product	Details	Features	Coverage	Bag Size
Sport Turf Athletic Mix (70/30)	70% Perennial Rye 30% Kentucky Blue	Finer Blade, Good Color, Durability	10,000 Square Feet 4-6 lbs./1000 SF	50 lbs

**50 lbs: \$115.00 Wholesale      \$164.99 Retail      \*available in 3, 5, 10lbs @ \$3.50/lb Wholesale, \$4.00/lb Retail**  
**500 lbs: \$105.00 per 50 lb bag**  
**25 lbs: \$75.00 Wholesale      \$89.99 Retail**

Finer blade, good color and durability. Ideal for over-seeding golf courses and sport fields, as well as higher quality home lawns. Tolerates some shade.

Product	Details	Features	Coverage	Bag Size
Sun and Shade Custom Mix	33% Perennial Rye 33% Cr. Red Fescue 34% Kentucky Blue	Sun and Shade Custom Mix for a variety of conditions	10,000 Square Feet 5 lbs./1000 SF	50 lbs

**50 lbs : \$115.00 Wholesale      \$169.99 Retail      \*available in 3, 5, 10lbs @ \$3.50/lb Wholesale, \$4.00/lb Retail**  
**500 lbs: \$105.00 per 50 lb bag**  
**25 lbs : \$80.00 Wholesale      \$92.99 Retail**

Diverse seed mix suitable for areas receiving at least 50% sunlight. Great color and texture. Quick Establishment.

Product	Details	Features	Coverage	Bag Size
Three Way Tall Fescue Blend	Inferno, Quest, and Jaguar 4G Tall Fescues	Fine Blade, Dark Color, Excellent Drought & Disease Resistance	7,000 Square Feet 6-8lb./1,000 SF	50 lbs

**50 lbs : \$100.00 Wholesale      \$144.99 Retail      \*available in 3, 5, 10lbs @ \$3.50/lb Wholesale, \$4.00/lb Retail**  
**500 lbs: \$90.00 per 50 lb bag**  
**25 lbs: \$70.00 Wholesale      \$85.99 Retail**

Drought, heat, wear and disease tolerant grass. Tolerates sun or shade and holds color well during lower water and high heat conditions. Best for fall seeding or in spring once soil temperatures are above 60 degrees. Good dark green color.

## Grass Seed

Product	Details	Features	Coverage	Bag Size
Contractor's Blend	44% Annual Rye, 44% Per. Rye, 6% Ky. Bluegrass, 6% Cr. Red Fescue	Quick Cover for Soil Stabilization, Not Recommended for Overseeding	8,000 Square Feet 6 lbs./1000 SF	50 lbs

**50 lbs : \$74.00 Wholesale      \$99.99 Retail**

**500 lbs: \$69.00 per 50 lb bag**

This Blend is typically used in situations where quick stabilization of the soil and fast results are needed, with germination taking place within 5-7 days. This is a good seed to use to get a lawn started on new construction properties, or in areas that need to be reseeded due to construction.

Product	Details	Features	Coverage	Bag Size
50/50 Custom Mix	50% Perennial Rye 50% Kentucky Blue	Elite Blend, quick establishment and durability	12,500 Square Feet 4 lbs./1,000 SF	50 lbs

**50 lb : \$129.00 Wholesale      \$179.99 Retail**

**500 lbs: \$120 per 50 lb. bag**

With a blend of varieties of perennial rye and Kentucky Blue Grass, this mix offers the best of both worlds. It provides quick germination from the ryegrass and a strong durable turf with the ability to spread from the Kentucky Blue. Good color, fine texture and traffic tolerance. Good for sports fields or home lawns.

Product	Details	Features	Coverage	Bag Size
Shade Mix	25% Cr. Red Fescue, 25% Chewings Fescue, 25% Hard Fescue, 25% Per. Rye	Shade Tolerant, quick establishment and good color	12,500 Square Feet 4-5lb./1,000 SF	50 lbs

**50 lb : \$122.00 Wholesale      \$152.99 Retail**

**500 lbs: \$110.50 per 50 lb. bag**

This Shady mix is an exclusive blend of many cool turf seeds that thrive in a lower heat environment. With the varieties in this mix you have an increased chance of germination that can handle some variation in the climate.

## Sod

Product	Details	Size
Sod	Four Way Blend of Bluegrass	2'x5' = 10 Square Feet per roll

**\$7.50 Wholesale      \$9.75 Retail**

**\*Advance notice suggested for scheduled jobs**

## Soil Amendments

Product	Details	Coverage	Bag Size
Solu-Cal	High Quality Lime with Humic Acid	8,000- 10,000 SF maintenance 4,000 SF curative (raise pH)	50 lbs

**\$16.50 Wholesale**

**\$24.99 Retail**

**\$15.25 Pallet**

Solu-Cal allows lawn applicators to use 75% less product than limestone. Solu-Cal/Cal Plus is formulated to contain a chelating agent and limestone within every pellet and results in raising PH values quicker than traditional limestone. Measurable results are achieved in weeks rather than months.

Product	Details	Coverage	Bag Size
Dolomitic Lime	Pelletized Limestone	3,000 SF maintenance 1,000 SF Curative	50 lbs

**\$8.00 Wholesale**

**\$9.99 Retail**

**\$7.00 Pallet**

Dolomitic Limestone helps to balance the PH of the soil, reducing soil compaction and allows a healthy growing environment.

## Erosion Control

Product	Details	Coverage	Bag Size
Seed Aide Cover Grow	Seed Protectant with tackifier	650-850 Square Feet Less coverage per bag on sloped areas	50 lbs

**\$26.50 Wholesale**

**\$34.99 Retail**

**\$25.00 Pallet**

Seed Aide Cover Grow is expanding cellulose/wood fiber mulch in a granular form that enhances germination and seeding emergence by holding seed in place and absorbing water. It contains a tackifier that once moistened reduces soil erosion, water run-off and seed wash out. This product contains no weed or grass seed.

Product	Details	Coverage	Bag Size
Penn Mulch .7-1-.4	Seed Protectant, Contains Starter Fertilizer	800 Square Feet Less coverage per bag on sloped areas	40 lbs

**\$22.00 Wholesale**

**\$30.99 Retail**

**\$20.00 Pallet**

Helps protect new seeding and aids in its germination.

**Straw Blanket (8' x 112.5')- \$42.00 Wholesale**

**\$52.99 Retail**

**Straw Bale- \$9.75 Wholesale**

**\$11.95 Retail**

**Ground Staples (100 Count)- \$16.50 Wholesale**

**\$20.99 Retail**

**Ground Staples (1000 Count)- \$49.99 Wholesale**

**\$67.99 Retail**

## Athletic Field Products

Product	Details	Coverage	Bag Size
Pro's Choice Rapid Dry	Drying Agent	Varies	50 lbs

**\$16.00 Wholesale**                      **\$21.99 Retail**

**\$15.00 Pallet**

Pro's Choice Rapid Dry is a game saver, made up of tiny granules used on baseball infields to quickly absorb excess water.

Product	Details	Coverage	Bag Size
Pro's Choice Red Infield Conditioner (Maroon bag)	#1 Selling Conditioner, Drying Agent, Buff Color	Varies	50 lbs

**\$16.00 Wholesale**                      **\$21.99 Retail**

**\$15.00 Pallet**

Unique durable granule that helps create passageways for drainage and eliminate compaction for truer bounces and safer play. When used as a drying agent it may be raked into the field once it is used.

Product	Details	Coverage	Bag Size
Guide Line Marking Lime	White Lime Powder	As Needed	50 lbs

**\$6.50 Wholesale**                      **\$8.99 Retail**

**\$5.75 Pallet**

Athletic field marking lime for marking baselines.

Product	Details	Coverage	Bag Size
Pro's Choice Mound Clay	100% Virgin Clay. Red. Ready To Use	Varies on Conditions 8 Bags/Mound 20 Bags/Batter's Box	40 lbs

**\$23.00 Wholesale**                      **\$34.99 Retail**

**\$22.00 Pallet**

Durable, easy to use and significantly reduces holes in the batter's box and pitcher's mound

## Non-Selective Herbicides

Product	Details	Coverage	Size
Ranger Pro	41% Glyphosate Plus Surfactant	3-5 oz./Gallon	2.5 Gallons

**\$52.00 Wholesale**                      **\$79.99 Retail**

Non-selective herbicide with a broad-spectrum glyphosate with surfactant, increasing the adhesion of the product to the plants it comes in contact with.

Product	Details	Coverage	Size
Roundup QuikPro	73.3% Glyphosate 2.9% Diquat	1 x 1.5 oz. packet per Gallon	5 x 1.5 oz. packets per box

**\$16.00 Wholesale**                      **\$20.99 Retail**

Roundup QuikPro has two active ingredients, 73.3% Glyphosate and 2.9% Diquat, along with a new surfactant gives you a faster burn down.

**525 River Street Forty Fort, PA 18704**

## Non-Selective Herbicides

Product	Details	Coverage	Size
Specticle Total	Non-Selective Herbicide with Pre-Emergent	16 oz./Gallon per 1,000 SF	1.125 Gallons

**\$86.00 Wholesale**

**\$99.99 Retail**

Non-selective herbicide that is designed to kill existing weeds and grasses, as well as prevent future weed growth for up to 6 months.

## Selective Herbicides

Product	Details	Coverage	Size
Vessel 3-Way	30.56% 2,4-D 8.17% MCP 2.77% Dicamba	1.1-1.5 oz./Gallon per 1,000 Square Feet	2.5 Gallons

**\$83.00 Wholesale**

**\$122.99 Retail**

Combination of three selective herbicides that battles broadleaf weeds. Similar to Triplet SF.

Product	Details	Coverage	Size
Q4 Plus	8.43% Quinclorac, 0.69% Sulfentrazone, 11.81% 2, 4-D, 1.49% Dicamba	2.6-3 oz./Gallon per 1,000 Square Feet	2.5 Gallons

**\$335.00 Wholesale**

**\$399.99 Retail**

Selective turf herbicide that provides rapid control of over 80 weeds, including crabgrass and yellow nutsedge.

Product	Details	Coverage	Size
SpeedZone	28.57% 2,4-D, 5.88% MCP, 1.71% Dicamba, 0.62% Carfentrazone-ethyl	1.1-1.8 oz./Gallon per 1,000 Square Feet	2.5 Gallons

**\$250.00 Wholesale**

**\$299.99 Retail**

Selective turf herbicide that provides superior cool weather performance against troublesome broadleaf weeds. Results may be visible just hours following application, and weeds may be killed completely within 7-14 days.

Product	Details	Coverage	Size
Tenacity	40% Mesotrione	5-8 oz. per acre	8 ounces

**\$81.00 Wholesale**

**\$104.99 Retail**

Selective, systemic herbicide with pre-emergent and post-emergent qualities for superior control of crabgrass, goosegrass, nutsedge, various broadleaf weeds, and more.

Product	Details	Coverage	Size
Resolute 4FL	40.7% Proflam	0.5 oz./Gallon per 1,000 Square Feet	1 gallon

**\$130.00 Wholesale**

**\$179.99 Retail**

Selective herbicide that provides pre-emergent control of several grassy and broadleaf weeds in established turf.

## Selective Herbicides

Product	Details	Coverage	Size
Vexis (granular)	0.025% Pyrimisulfan	4 lbs./1,000 SF	Available in: 2 lb. Shaker Can Or 15 lb. Bag

**2 lb. Shaker Can: \$21.00 Wholesale      \$28.99 Retail**

**15 lb. Bag: \$30.00 Wholesale      \$41.99 Retail**

Selective, post-emergent granular herbicide used to control nutsedge, kyllinga, and a variety of broadleaf weeds. Requires thorough watering within 48 hours of application for best effectiveness.

## Granular Landscape Pre-Emergent

Product	Details	Coverage	Bag Size
0-0-7 Prodiamine	0.42% Prodiamine	12,500 Square Feet	50 lbs

**\$18.00 Wholesale      \$24.99 Retail**

**\$17.00 Pallet**

Economical pre-emergent designed to control a wide variety of grassy and broadleaf weeds. Ideally applied prior to mulching.

Product	Details	Coverage	Bag Size
Treflan 5G	Compares to Preen Pro 5% Trifluralin	15,000- 20,000 Square Feet	40 lbs

**\$39.00 Wholesale      \$50.99 Retail**

**\$35.00 Pallet**

Commercial grade product that provides pre-emergent control of weeds in landscape and ornamental beds. Ideally applied prior to mulching but can be used as an over the top product as well.

Product	Details	Coverage	Bag Size
Snapshot 2.5TG	2% Trifluralin 0.5% Isoxaben	10,000-20,000 Square Feet	50 lbs

**\$105.00 Wholesale      \$135.99 Retail**

**\$98.00 Pallet**

Controls more broadleaf and grassy weeds in more ornamentals than any other pre-emergent herbicide. Provides up to 8 months of weed control. Should be applied immediately after cultivation or prior to mulching.

## Granular Fungicide

Product	Details	Coverage	Bag Size
Headway G	0.31% Azoxystrobin 0.75% Propiconazole	10,000 Square Feet	30 lbs

**\$78.00 Wholesale      \$109.99 Retail**

Broad spectrum fungicide containing a combination of Heritage and Banner. Great control of numerous diseases in turf.

**525 River Street Forty Fort, PA 18704**

## Granular Insecticides

Product	Details	Coverage	Bag Size
Dylox 6.2G	6.2% Trichlorfon	10,000-15,000 Square Feet	30 lbs

**\$57.00 Wholesale**                      **\$73.99 Retail**

Granular insecticide used to rapidly kill existing grubs present in the soil.

Product	Details	Coverage	Bag Size
Zenith .5G	0.5% Imidacloprid	20,000 Square Feet	30 lbs

**\$36.00 Wholesale**                      **\$59.99 Retail**

Broad spectrum insecticide used to control larvae of soil inhabiting insects to prevent outbreaks that occur in late summer or early fall.

**\*Variety of liquid herbicides, fungicides and insecticides available at garden center.**

## Fertilizer

Product	Details	Coverage	Bag Size
10-20-15 Starter	20% XCU, 2% Fe	10,000 Square Feet	50 lbs

**\$20.50 Wholesale**                      **\$32.99 Retail**

**\$19.00 Pallet**

Starter Fertilizer with a phosphorus content suited to aiding the germination of newly planted grass seed. 20% XCU helps to provide gradual consistent feeding.

Product	Details	Coverage	Bag Size
19-26-5 Starter	30% XCU, 2% Fe	11,000 Square Feet	50 lbs

**\$26.50 Wholesale**                      **\$39.99 Retail**

**\$25.00 Pallet**

Starter Fertilizer with a phosphorus content suited to aiding the germination of newly planted grass seed. 30% XCU helps to provide gradual consistent feeding.

Product	Details	Coverage	Bag Size
19-19-19 Starter	Quick Release Fertilizer	7,000 Square Feet	50 lbs

**\$19.00 Wholesale**                      **\$29.99 Retail**

**\$17.50 Pallet**

Starter Fertilizer with a phosphorus content suited to aiding the germination of newly planted grass seed.

## Fertilizer

Product	Details	Rate	Bag Size
21-22-4 Starter w/ Pre-Emergent	-Pre-Emergent Starter Fert. with .08 Mesotrione (same active ingredient as Tenacity herbicide) -Similar to Tupersan	9,000 Square Feet	40 lbs

**\$70.00 Wholesale**

**\$99.99 Retail**

**\$65.00 Pallet**

Granular pre-emergent used to block weeds while allowing newly planted seed to germinate. Product contains starter fertilizer.

Product	Details	Coverage	Bag Size
17-0-0 Pre-Emergent	25% SCU, .15 Dimension	12,500 Square Feet	50 lbs

**\$24.50 Wholesale**

**\$42.99 Retail**

**\$23.00 Pallet**

Pre-Emergent typically put down in the late winter to late spring to provide a barrier to combat the emergence of crabgrass and other grassy weeds. Contains .15 Dimension.

Product	Details	Coverage	Bag Size
13-0-5 Pre-Emergent	.42 Prodiamine	12,500 Square Feet	50 lbs

**\$18.50 Wholesale**

**\$27.99 Retail**

**\$17.00 Pallet**

Pre-Emergent typically put down in the late winter to late spring to provide a barrier to combat the emergence of crabgrass and other grassy weeds. Contains .42 Prodiamine.

Product	Details	Coverage	Bag Size
0-0-7 LockUp	Post- Emergent Broadleaf Weed Control	10,000 Square Feet	40 lbs

**\$29.00 Wholesale**

**\$41.99 Retail**

**\$27.00 Pallet**

Used as a post-emergent application to control a large variety of broadleaf weeds in established turfgrass without much feeding.

Product	Details	Coverage	Bag Size
19-0-6 LockUp	.03% LockUp, 33% MESA	10,000 Square Feet	40 lbs

**\$35.00 Wholesale**

**\$49.99 Retail**

**\$33.00 Pallet**

Combination of three herbicides. Provides post-emergent control of annual, biennial and perennial broadleaf weeds in established turfgrass. Can be used throughout the season to control clover, dandelion, chickweed, ground ivy among others.

## Fertilizer

Product	Details	Coverage	Bag Size
19-0-6 LockUp + Dimension *Pre and Post Emergent	.17 Dimension/LockUp	10,000 Square Feet Dependent on control Needed	40 lbs

**\$47.00 Wholesale**

**\$69.99 Retail**

**\$44.50 Pallet**

Combination herbicide designed for pre-emergent control of crabgrass and other grassy weeds, and for post-emergent control of many broadleaf weeds. Usually applied in the spring and early summer.

Product	Details	Coverage	Bag Size
19-0-6 Escalade Weed and Feed	40% XCU	12,500 Square Feet	50 lbs

**\$27.00 Wholesale**

**\$42.99 Retail**

**\$25.00 Pallet**

Weed and Feed used to fertilize the lawn as well as kill broadleaf weeds that are present. Ideal for April through Early June, as well as in the fall.

Product	Details	Coverage	Bag Size
15-0-5 Merit	.2 Merit, 40% MESA	12,500 Square Feet	50 lbs

**\$30.50 Wholesale**

**\$49.99 Retail**

**\$28.50 Pallet**

Combination Fertilizer used to treat below surface insects. Best applied in early June to mid- July.

Product	Details	Coverage	Bag Size
16-0-3 + Protego	.2% Imidacloprid + Lambda	12,500 Square Feet	50 lbs

**\$29.50 Wholesale**

**\$42.99 Retail**

**\$27.50 Pallet**

Combination fertilizer for general insect control. Treats below and above surface insects.

Product	Details	Coverage	Bag Size
0-0-7 + Protego	.2% Imidacloprid + Lambda	12,500 Square Feet	50 lbs

**\$23.00 Wholesale**

**\$36.99 Retail**

**\$21.00 Pallet**

Combination fertilizer for general insect control. Treats below and above surface insects. Great inexpensive product for insect control without much feeding.

Product	Details	Coverage	Bag Size
25-0-6	50 % XCU, 5% Iron	12,500 Square Feet	50 lbs

**\$21.50 Wholesale**

**\$32.99 Retail**

**\$19.50 Pallet**

Ideal fertilizer for late summer through late fall. Contains 5% Iron, which aids chlorophyll production making for a greener lawn with a good range of coverage. 50% XCU helps to provide gradual, consistent feeding for better turf quality.

**525 River Street Forty Fort, PA 18704**

## Fertilizer

Product	Details	Coverage	Bag Size
14-14-14	100% XCU	Varies	50 lbs

**\$20.00 Wholesale**                      **\$29.99 Retail**  
**\$18.50 Pallet**

Ideal fertilizer for trees, shrubs, ground cover, potted plants and flowers. 100% XCU provides a slow released gradual and consistent feeding for up to 90 days.

Product	Details	Coverage	Bag Size
10-6-4	50% Organic w/ Nutralene, 1.25% Iron Comparable to Plant Tone	Varies	50 lbs

**\$17.00 Wholesale**                      **\$24.99 Retail**  
**\$16.00 Pallet**

50% organic with a well-rounded ratio of nitrogen, phosphorus, potash and iron. Many different uses including lawns, trees, shrubs, vegetables, etc. Alternative to Espoma Plant Tone.

## Espoma Products

**Holly Tone 50# - \$34.00 Wholesale**                      **\$46.99 Retail**  
**Plant Tone 50# - \$34.00 Wholesale**                      **\$46.99 Retail**  
**Espoma Lawn Food 40# - \$36.00 Wholesale**                      **\$48.99 Retail**

**\*Many other multi-purpose fertilizers on hand, and specialty combinations are available upon request. Please inquire if needed.**

## Polymeric Bonding Sand/Dust

Product	Details	Coverage	Bag Size
G2 Supersand (available in Slate Grey or Beige)	-Used for paver joints no wider than 2" -Requires just one watering to activate -No Dust, Haze Free, No Blower necessary	Narrow joints: 65-85 s.f. Wider joints: 22-42 s.f.	50 lbs.

**\$34.00 Wholesale**                      **\$41.99 Retail**

G2 Supersand is a specially formulated polymeric bonding sand used to fill in paver joints that are no wider than 2". This product may be used in a wide variety of settings, including but not limited to patios, footpaths, pool decks, and driveways. This product is not to be used when pavers are installed over a concrete slab, but may be used in areas where vehicular traffic will occur.

**525 River Street Forty Fort, PA 18704**

**Polymeric Bonding Sand/Dust**

<b>Product</b>	<b>Details</b>	<b>Coverage</b>	<b>Bag Size</b>
Gator Dust Bond (available in Sahara Beige or Stone Grey)	-Compatible with all types of wet cast & natural stone -Used for stone joints between ½" & 6" wide -Rain safe after 24 hours without rain	Dependent upon shape & size of the stones used, as well as the width of the joints between the stones	50 lbs.

**\$34.00 Wholesale**

**\$41.99 Retail**

Gator Dust Bond is a polymeric bonding dust that is used to interlock patios, pool decks, and walkways consisting of all types of wet cast and natural stones. Once this product sets, it becomes very firm and locks between the stone joints, helping to prevent the growth of weeds and erosion due to wind, rain, freezing temperatures, etc. This product is not for use when stones are installed over a concrete slab, and is not to be used in areas where vehicular traffic will occur.

**Landscape Fabric (Non-Woven) 3 oz.**
